

JOB DESCRIPTION

APPENDIX C

Before completing this form, please read the BTP 'Guide to writing job descriptions for Police Staff roles' Appendix B to the SOP.

A. POST DETAILS:

Job Title:	Audit and Compliance Manager	Current Grade:	B001
Department:	Audit & Assurance	Area:	A Division Hybrid work model - flexible approach that combines working in an office environment and working from home.
Reports To:	Audit & Inspection Lead	No of Posts:	2
Level of vetting:	MV	Post Number:	

PURPOSE OF THE POST: *Why the post exists and what it has to achieve*

B. The purpose of this role is to coordinate planned internal Assurance and Inspection activity in line with the Internal Controls and Compliance Review Plan, taking part in this where needed to identify risk and best practice and manage the annual Management Assurance Return process to provide assurance to chief officers. In addition, this role will manage the day to day running and secretariat of the Audit, Risk, Inspection & Compliance Board.

C. DIMENSIONS OF THE POST *The key statistics associated with the post*

REWARD

D. PRINCIPAL ACCOUNTABILITIES: *What the job is accountable for and required to deliver*

To be the first point of contact for general enquiries in the Audit & Assurance function, with the ability to provide initial guidance. This includes dealing with enquiries from members of the public, police staff, police officers and partner agencies.

To work closely with divisions and departments to identify and coordinate resources to carry out inspection activity in line with the Inspection Plan.

To coordinate all Chief Officer Visits / Governance / Area Audit & Assurance checks and self-assessment in relation to inspection, as directed by the Audit & Inspection Lead.

To manage the annual DfT Management Assurance Return Process, providing a professional assurance review and ensuring this is consistent with other management responses.

To lead internal audits as directed by the Chief Officer Group, by conducting research, reviewing documentation and interviewing business owners, to identify findings and provide recommendations for decision and ultimately provide assurance to the force.

To take part in inspections, managing and delivering work packages, as directed by the Audit & Inspection Lead to identify areas of risk and good practice.

To conduct physical audits of police posts across A-Division, to provide independent assurance and identify and highlight risk to the force as well as best practice. This will include review of premises security, information security and Cymopa compliance.

To liaise with senior leaders to plan for HMICFRS inspections by developing the self-assessment documentation to highlight areas of good practice as well as any gaps to be addressed and provide support and guidance to throughout the inspection process. The post-holder will advise and coordinate stakeholders to assist the force to understand its performance, assurance and risk position to drive improvements in the services.

To attend, as required, meetings on behalf of the Audit & Inspection Lead to present any relevant updates, identify risks and/ or recommendations to management.

Through audits and inspections identify improvements to compliance regimes across the force that will provide greater assurance to senior leaders.

To track and monitor all audit recommendations for the force through the BTP ActionTracking System.

To manage the Governance Assurance Return process, ensuring this is reviewed on a regular basis with key stakeholders to ensure it remains relevant. This self-assessment acts as a reporting-tool and provides a transparent and accountable methodology for Leaders - across compliance, governance, effective management, administration and maintenance of standards

REWARD

To track and analyse responses from the Governance Assurance Return and report the findings to leaders and practitioners for action. Conduct evidence-led evaluation of the effectiveness of the Governance Assurance Return Process through the monitoring of delivery, identified activities introduced to support improvements, and inform decisions.

To provide professional input into the quarterly Audit & Inspection Meeting chaired by the Head of Department to highlight risks and best practice from audit and assurance activity.

To manage the secretariat and governance of the Audit, Risk, Inspection & Compliance Board (ARIC).

To be the System Administrator for BTPs Action Tracking System, managing users, creating standard reports as required and liaising with the Risk Management Lead to manage the contract.

To plan and carry out audits of projects as and when required.

To provide ad hoc support to the Audit & Assurance function as and when required.

E. DECISION MAKING:
