Pensions

Introduction

The information in this leaflet is given on a “without prejudice basis” and does not form any part of your contractual entitlements. It does not confer any rights to benefits from the Fund other than those provided by the Fund Rules.

The benefits payable from the British Transport Police Superannuation Fund are set out in the Rules of the Fund and a full guide for members will be included within your welcome pack when you join.

All Officers under the age of 58 (63 for Superintendents and more senior ranks) will be entered into the BTP Superannuation Fund on the day they start work.

BTP operate a Pension Salary Sacrifice Scheme (PensionPlus). You will automatically be enrolled into PensionPlus and your Reference Salary will be reduced, in accordance with the PensionPlus Scheme rules, by an amount equivalent to the level of pension contributions.

On 1 April 2015, the British Transport Police Authority introduced a new ‘CARE’ section of the British Transport Police Force Superannuation Fund (BTPFSF) for new entrants training to become Police Officers, for transferee Police Officers who have no protection in a Home Office force pension scheme, and for re-joining Officers who have had a break in service.

The term CARE stands for ‘Career Average Revalued Earnings’. This means that on retirement the pension earned by the Officers will be the sum of the benefits accrued each year uplifted in following years by the consumer price index plus 1.25% per annum over the period of membership in the Fund.

Officers transferring from another force into the BTP whose pensions are protected in the Home Office may retain a form of protection on transfer, subject to confirmation from your current force regarding your current pension arrangements and subject to the approval of the British Transport Police Authority. It is your responsibility to ensure that the Recruitment team is aware of any level of protection that you may have.

Those currently in protected 30 or 35-year final-salary schemes in their host force may be offered the terms and benefits of BTP’s 2007, 35-year pension scheme. Those who are protected in a 35-year final-salary scheme in their host force, either in permanent or tapered protection, may retain their protection as per their current arrangement. Those currently enrolled in the CARE scheme in their host force, or those who have left service and are therefore no longer an active member of a Home Office pension, will receive the terms and benefits offered by the BTPFSF CARE scheme.

Transferring pension benefits

The fund can usually accept a transfer of benefits from your previous pension scheme if it is approved by the Her Majesty’s Revenue and Customs (HMRC). The rules of the Fund allow transfers-in of past membership in from Home Office forces. However, such transfers need to be on a basis agreed between the Home Office and BTPA, set out in a ‘bilateral transfer agreement’. There is currently no bilateral transfer agreement in place for the BTPFSF CARE Section, so it is currently not possible for transfers to be processed or for transfer quotations to be provided.
