Pensions

IMPORTANT UPDATE ON TRANSFERRING PREVIOUS POLICE PENSION INTO BTP CARE SCHEME

Transfers from Police Pension Schemes in England, Wales and Scotland can only be undertaken on the basis of an agreement between HM Treasury, the Home Office, BTPA, and the Railways Pension Trustee. This type of agreement is referred to as a 'bilateral transfer agreement'. Unfortunately, we do not have such an agreement in place between the Home Office and our CARE funds.

We fully understand that your pension is an important and integral element of your overall remuneration package and that having no bilateral agreement in place will be disappointing for you. **As a result it is not possible to transfer previous police benefits or for transfer quotations to be provided into the CARE scheme.**

It is important that you understand what options are open to you so we would recommend you contact your previous pension provider about your pension funds. It is important you let them know why you are calling and that you are considering your options in respect of your pension and that you would like to know what options are available regarding your pension funds. It is also important that you ask about the consequences of any of those options, including the possible impact on your future retirement. Please note that pension funds are not all the same and will have different rules so it is important to understand what is applicable to you.

Please be aware that BTP as an employer is not allowed to give pension or any financial advice.

BTP Pension Introduction

The information in this leaflet is given on a "without prejudice basis" and does not form any part of your contractual entitlements. It does not confer any rights to benefits from the Fund other than those provided by the Fund Rules.

The benefits payable from the British Transport Police Superannuation Fund are set out in the Rules of the Fund and a full guide for members will be included within your welcome pack when you join.

All Officers under the age of 58 (63 for Superintendents and more senior ranks) will be entered into the BTP Superannuation Fund on the day they start work.

BTP operate a Pension Salary Sacrifice Scheme (PensionPlus). You will automatically be enrolled into PensionPlus and your Reference Salary will be reduced, in accordance with the PensionPlus Scheme rules, by an amount equivalent to the level of pension contributions.

On 1 April 2015, the British Transport Police Authority introduced a new 'CARE' section of the British Transport Police Force Superannuation Fund (BTPFSF) for new entrants training to become Police Officers or transferees who have no protection in a Home Office force pension scheme.

The term CARE stands for 'Career Average Revalued Earnings'. This means that on retirement the pension earned by the Officers will be the sum of the benefits accrued

each year uplifted in following years by the consumer price index plus 1.25% per annum over the period of membership in the Fund.

Officers transferring from another force into the BTP whose pensions are protected in the Home Office may retain a form of protection on transfer, subject to confirmation from your current force regarding your current pension arrangements and subject to the approval of the British Transport Police Authority. **It is your responsibility to ensure that the Recruitment team is aware of any level of protection that you may have.**

Those currently in protected 30 or 35-year final-salary schemes in their previous force may be offered the terms and benefits of BTP's 2007, 35-year pension scheme. Those who are protected in a 35-year final-salary scheme in their previous force, either in permanent or tapered protection, may retain their protection as per their current arrangement.
